Chilliwack Animal Safe Haven

is a Society
 Committed to Helping
 Cats in Need

History

Chilliwack Animal Safe Haven opened its doors in April 2003. Shortly after acquiring the property on Chilliwack Central Road, work began on the huge project of getting it in shape. As you can see on our website, much work was required before The Haven could become fully operational.

We have managed to lovingly care for so many cats while they await adoption.

As of March 2015 we have spayed/neutered 122 dogs and 4,322 cats!
We have adopted out 1,086 cats!

Thank you to our donors and volunteers for their continued support in helping us help the animals in need from our community.

Our Mission

The **Chilliwack Animal Safe Haven Society** is dedicated to saving homeless cats, helping pets stay in loving homes and cultivating respect and awareness for the rights and needs of animals. We believe adoption is vital but also focus on reducing the number of animals at risk. Our dream for the future is that there are no homeless cats and we would no longer be needed.

Until then....donations, volunteers and new members are always welcome.

Stop by for a visit any time during office hours!
